SUMMARY

Highly motivated Junior Software Engineer with a strong foundation in web development and a passion for problem-solving. Eager to contribute to the dynamic team at Randall Reilly by applying my technical skills and innovative mindset. Proficient in software development, debugging, and testing, with a keen eye for detail and a dedication to delivering high-quality code. Collaborative and adaptable, I thrive in fast-paced environments and am committed to continuous learning and growth. Ready to make a meaningful impact in developing cutting-edge solutions at Randall Reilly.
